

Welcome to the Hywel Dda Express

Read this Newspaper to find out about upcoming events!

**Read all about it: What have the School Councils
been up to this term?**

Wellbeing Council

Join us for the Big Pedal by travelling to school on a bike, scooter or walk. It will be between the 25th March and 5th April. We want people to pedal or walk to school instead of going in a car and creating pollution. It will also help you get fit. The Wellbeing Council will be keeping an eye out for children who are using a bike or scooter to get to school. Raffle tickets will be given out to these children and they could win a prize. Get pedalling!

Digital Learning Council

- We set up and created a Google Classroom for the remaining pupils in the Digital Learning Council. Mostly Year 3's joined.
- We discussed the pros and cons of the internet.
- Through Google Docs the members typed in pros and cons on Google Classroom.
- We discussed the importance of being safe online.
- We then collaboratively created Google Slides (posters) through Google Classroom. The members had a slide each that they were in charge of and inputted information for other pupils in Hywel Dda on how to stay safe online.
- We invited the MPs to a meeting in the morning of Wednesday 20th February before school.

Here they will be part of the new Digital Team of Hywel Dda Primary School.

Mr Jones

Reading Council

In the Reading Council we have been talking about World Book Day. We will be celebrating World Book Day on Friday 15th March by dressing up and having a competition. Foundation Phase will be drawing a picture linked to their favourite book and Key Stage 2 will be designing a book cover. We are excited to announce that there will be prizes for the winners too!

In our council meeting, we designed and put up posters, gave out book tokens and decided on a competition. We talked about our reading buddy idea too and we are very excited to start helping the younger children with their reading next term.

WORLD BOOK DAY

Foreign Office

In Foreign Office we have created a booklet with information about our school to send to our link school in Uganda. We have taken photographs around the school and annotated them to tell Bulatse Primary School about our school life. We then chose and named the teddy bears that will be sent to schools around the world. In addition, we have designed and created country information displays to go on our Foreign Office board.

from Lois, Class 6D.
