#### UNCRC:

##### 16. Protection of privacy

Every child has the right to privacy. The law must protect children's privacy, family, home, communications and reputation (or good name) from any attack.

##### 17. Access to information

Children have the right to get information from the Internet, radio, television, newspapers, books and other sources. Adults should make sure the information they are getting is not harmful. Governments should encourage the media to share information from lots of different sources, in languages that all children can understand.
