

School Meals Debt Policy

This policy has been written to help schools to adopt a consistent approach to debt. It provides clarity and consistency in managing debt and will also help parents clearly understand what is expected of them.

There have been many discussions around whether a child should be refused a meal in school if they have not paid. However the school meals service is no different than any other business and the meals must be paid for by someone.

Parents can easily relate to the situation that they cannot take their child to a restaurant and expect them to be given food without paying, yet a minority of parents expect free food in school. The Free School Meals system is there for parents who cannot afford school meals, there should be no excuses. Applying for Free School Meals is straight forward and parents can apply over the telephone, assuming eligibility is authorised the child can take a free school meal the following school day.

The system that works best is a 'zero tolerance' approach. It may seem a very hard stance in a school where there is a culture of debt tolerance. Although this will be tough to implement it will become easy to maintain once parents realise schools can only offer free meals to children whose parents qualify for FSM entitlement. Every other meal must be paid for. Your new ParentPay system highlights debt immediately so keeping track will be easy.

Establishing a debt policy

Schools should first discuss this policy with staff and agree its debt policy with governors. Once agreed, schools should make parents aware of this policy. This could be by including it in one or more of the following:

- A letter to parents
- The school's newsletter
- The school brochure
- The school website

This will ensure that all parents get the same message in a consistent way. This should be done at least once each year, more often when it is first introduced.

All parents should be provided with a copy of the policy when their child joins the school. The policy is attached as Appendix 1.

APPENDIX 1

School Meals Debt Policy for Parents

As from 04/05/2011 xxxx School has adopted a strict NO DEBT policy relating to the school meal service.

If debts are incurred, then the school budget has to pay for them. This means that money which should be spent on the children's education is used to pay for debts incurred by parents. Every parent will agree that this is unacceptable and we request that all parents give this policy their full support.

No parent would take their child to McDonalds and expect them to be given food without paying; the same applies at school. If parents believe that their children may qualify for entitlement to Free School Meals please contact School Food Support Service, Free School Meal eligibility checking service on 0116 3056588 or 0116 3057093, alternatively visit www.schoolfoodsupportservice.co.uk. This allowance is a statutory right and it is important that you use it if you qualify. Help is available with your application either at the school office or by contacting any of the above numbers.

Parent/s must pay in advance for the school lunch using any of the methods of payment outlined below:

- Online using ParentPay **THIS IS OUR PREFERRED METHOD**
- Send cash or cheque in a marked envelop

Children will not be provided with a school lunch unless it is paid for, except those that are entitled to free school meals. If a parent genuinely forgets to pay in advance, the school may grant a debt allowance of 1 meal. However this debt must be paid next day and future meals must be paid in advanced before any meal is provided.

If the debt is not cleared, parents must either provide a packed lunch or take the child home for lunch. In a case when a debt payment is not received nor a packed lunch provided, the head teacher will phone the parent to ask them to come to school with the money or ask them to pay online immediately. Otherwise they must provide sandwiches before lunch time or arrange to take their child home for lunch.

If payment of the debt is not received by the next day, the Headteacher reserves the right to begin legal proceedings against parents to recover the debt. Social services may also be informed that these parents are not carrying out the responsibility of care by not providing food for their children at lunchtime.

We hope that by implementing this debt policy we are able to help parents manage school dinner money better and at the same time ensure that all money that is for children's learning is available.

If you have any concerns please don't hesitate in contacting me.

Yours sincerely

Head Teacher

01/01/1010

Our records show that you have not paid dinner money for your child Mark Smith
Class: 5G despite a previous written reminder and a telephone call

As at 01/01/2010 your account is showing a debt of **£-1.90**

Please arrange for this money to be paid immediately.

The cost of a school meal is £1.90 per day - £9.50 per week.

Since non-payment for school meals affects the quality of service we offer to the
children, we need to ensure that all payments are up-to-date and I am afraid that if
the debt is not cleared by the end of this week it will not be possible to provide your
child with a school meal. You will need to make your own arrangements for your
child's lunch.

The school reserves the right to begin legal proceeding to recover the debt and to
inform social services of our concerns that you are not providing a meal for your
child at lunch time.

If you have any queries regarding these arrears, please contact the school office
immediately.
